1. **Background Information**

The African Forum and Network on Debt and Development (AFRODAD) is a Pan-African civil society organisation established in 1996 to advocate for debt cancellation and addressing debt related issues in Africa. The vision is “A Prosperous Africa based on equitable and sustainable development”; and the mission is “To contribute to Africa’s inclusive economic growth and sustainable development through influencing policy change on debt management and development finance anchored on a rights-based approach”.

Over the past 25 years, AFRODAD has built expertise on public debt management issues with its intersectionality with domestic resource mobilisation, and international public finance in Africa and continues to contribute at ensuring that African economies do not become highly indebted and in debt distress like in the 1980s and 1990s. Overall, the organisation’s focus is to influence African governments and institutions to adopt accountable and transparent public debt management policies and practices for sustainable development and poverty eradication.

AFRODAD is now operating under a new Strategic Plan 2021-2025 which comes at a time when the African debt landscape has changed significantly over the last five years:

⇒ The continent is experiencing its first economic recession in nearly thirty years;
⇒ The socio-economic gains since 2000 will be reversed due to the global covid-19 pandemic; and
⇒ The continent is facing a potentially deeper debt crisis than that of the 1980s and 1990s.

In order to seize the Strategic Plan reader’s attention and communicate information in a visually appealing way, AFRODAD seeks to engage a consultant who will layout and design the document into a user friendly and appealing format.

2. **The Scope of the Assignment**

⇒ The consultant will layout the document in an easy to read and appealing format.
⇒ The consultant will use illustrations, images and well balanced colours to produce a likeable document.
⇒ The designed document should be submitted to AFRODAD no later than the 18th of August 2022.
3. Qualifications and experience

AFRODAD is looking for a person(s) with knowledge and a clear understanding of the art of designing documents. The individual must be in possession of a University graduate degree in communication, or a degree in Graphics and Design. The consultant may have other academic qualifications not listed above, but s/he must have a minimum of 4 years of professional experiences in undertaking similar or related task.

4. To Apply

All those interested should send an CV, expression of interest (EoI) with budget (US$). The consultant will share 4 related sample work to verify stated experience to recruitment@afrodad.org. The deadline for submissions is the 8th August 2022. Only successful applicants will be contacted.
